## THE TRIP OF A LIFETIME

... for those  
who believed  
they would not travel  
again.

CREATIVE TRAVEL

We've created the means for people with special needs to travel. We offer or are developing cruise and tour packages for cardiac rehabilitation patients; renal patients, including hemodialysis; Chronic Pulmonary Disease (COPD) patients; the physically disabled, and more.

As a subsidiary of William Beaumont Hospital, we work with our medical and clinical staffs to arrange healthy, safe vacations for patient-travelers. For more information, just contact Marilyn Yurich, Director.
